Mustafa,

Will you be able to join us as Forum Panel member? We did not receive any funds from EPA for this event, hence we will not be able to pay for your flight. However, if you can join us, Taha has kindly agreed to pay your hotel and I will pick up your meals. If you are free and if you can secure a seat using your frequent flyer mile would you please let me know by Monday morning? We would love to have you as an expert familiar with Sandy type events and to learn how such events would impact Passaic River Dredging.

Thanks

Jay
